

MARINE HAVEN R&O

SAE Viscosity Grade: 30, 40

These oils are made from solvent refined HVI paraffinic base stocks complimented by anti-oxidant and defoamant additive. Sharlu Marine Haven R&O is recommended for crankcase and cylinder lubrication of slow speed engines operating under mild conditions and where non-detergent oils are recommended.

Typical Characteristics

SAE Grade	S. Gravity ASTM D-4052 @ 60/60 °F	K. Viscosity, cSt ASTM D-445		Visc. Index ASTM D-2270	Flash Point ASTM D-92 COC, °C	Pour Point ASTM D-97 °C
		40 °C	100 °C			
30	0.884	97.02	11.20	101	238	-6
40	0.893	148.60	14.92	101	248	-6
